

RoHS Declaration of Compliance

Cold Chain Complete

February 27, 2025

The RoHS Directive 2011/65/EU restricts the use of certain substances including lead, mercury, cadmium, hexavalent chromium, and halogenated flame retardants PBB and PBDE in electronic equipment. The Amendment to Annex II, dated March 31, 2015, additionally restricts the use of DEHP, BBP, DBP and DIBP in Electrical and electronic equipment and becomes effective July 22, 2019

SpotSee represents that, to the best of its knowledge, each of the below listed part numbers of the ShockWatch Label with all included components contains none or less than the RoHS limits stated below of the ten restricted substances and is in conformity with the RoHS Directive 2011/65/EU and new directive
